EAT RIGHT TEA ESTATE

Under Eat Right Campus initiative, various Tea estates can be recognized as “Eat Right Tea Estate” with rating from one to five star.

Areas of implementation

- Retail shops
- Schools
- Community kitchen
- Kitchen gardens
- Home
- Street vendors
- Manufacturing and processing plants
- Restaurants/Hotels/Resorts
- Water points
- Temples
- Warehouses/Godowns
- Transporter

Stakeholders

- Government bodies: State FDA, FSSAI, Tea Board, Education Board, Tourism department, other related government organisation
- Implementation partner: Training, Auditing, corporate, Hotel association, Temple authorities, NGOs, Self-help groups, others
Implementation Plan

1. License & Registration under FSSA, 2006
2. Training of food handlers and creating food safety supervisors under FoSTaC
3. Audit by FSSAI empaneled third party agency or FSSAI official on the audit parameters and inspection checklist
4. Certification and recognition
5. Sustainability in terms of systemic inspection, random sampling and internal trainings

Way Forward

- Identification of tea estates and areas of implementation (State FDA, Government bodies, NGOs, SHGs)
- License/Register them by local food safety officials under FSSA, 2006 (State FDA)
- Identify training, auditing and corporate (Implementation partners)
- Conduct training of food handlers and identify food safety supervisor (Implementation partners)
- Conduct audit and share the audit report & score (Auditing partner)
- Certification and rating as per audit score (FSSAI)
- Prepare plan of sustainability

Audit parameters

- Compliance to food safety and hygiene
- Healthy Diets: reduction of HFSS, promotion of fortified foods
- Food Waste management
- Promotion of local and seasonal foods, kitchen gardens
- Promotion and awareness on food safety and healthy diets in and around estate: Display of FSDBs/Eat Right messages & posters etc.
- Sustainability: Water conservation, no plastic use

On the basis of the audit scores, following ratings will be awarded (minimum three-star is required for the award)

<table>
<thead>
<tr>
<th>Rating</th>
<th>Description</th>
<th>Level of Compliance</th>
