A1. Registration	*For every 4% increase during the	10	This denotes increase in the figures of Active	
and Licensing	challenge period: 2 marks		State Licenses and Registrations. It doesnot	
Drive			include renewal and modification of licenses	
	*4% increase : 2 marks		and registrations	
	*8% increase : 4 marks			
	*12% increase : 6 marks			
	*16% increase: 8 marks			
	*20% increase and Above : 10 marks			
A1.a Auto	*For every 10% auto generated (New		Negative Marking	
generated	and Modification)			
license and	of total issued.		One time deduction from the total score	
registration	(- 2 marks one time deduction)		arrived in Section A	
	,			
			This denotes the factor Auto-generated (New	
			and Modification)/ Total Issued * 100 during	
			the period.	
			Ideally there shall be no auto-generated	
			Licenses and Registrations.	
A2. Surveillance	Minimum 10 samples for a particular	30	For a Surveillance Drive to be considered as	
Drive -	Food Product Category to be lifted		completed drive, minimum of 10 samples to be	
	during the challenge period to		lifted for a particular food product category	
	considered as complete drive.		during the challenge period.	
	*For each completed drive : 5 marks			
	*14			
	*Maximum marks : 30 marks			
A3. Enforcement	Minimum 10 samples for a particular	30	For a Enforcement Drive to be considered as	
Drive	Food Product Category to be lifted		completed drive, minimum of 10 samples,	
	during the challenge period to		preferblly of high risk category to be lifted for a	
	considered as complete drive.		particular food product category during the	
			challenge period.	
	*For each completed drive : 5 marks			
	*Maximum marks : 30 marks			
	"Maximum marks : 30 marks			
A4. Inspection	% completion of RBIS	30	The FSOs of the District are required to	
·	*Less than 50% : 0 marks		complete minimum 50% inspections (License	
	*51% to 70% completion : 10 marks		and Registration) of the assigned target of 6	
	*71% to 80% : 20 marks		months	
	*81% to 90% : 25 marks		Target of 6 months = (Annual target of RBIS	
	*91% to 100% : 30 marks		during FY 23-24 * 6/12)	
A5 No. of	*3-5 cases - 5 marks	10	Upload the cases of seizures on FoSCoS	
Seizures of Food	*More than 5 cases - 10 marks			
		<u> </u>
