Eat Right Jails!

- A unique initiative amongst it is Eat Right Jail, in which different District level Jails and Central Level Jails are being audited for Eat Right Campuses and being awarded a certificate for that. The criteria for the audit for Eat Right Campuses are quite stringent in which pre-audits are followed by training for food handlers and Final Audit being carried to ensure the improvement in hygiene practices and changing in food habits as well.
- We have 30 Jails within the state of Gujarat including Jail Staff Training center amongst which 5 are already awarded a certificate and others are in pipe-line.

 - (2) Central Jail Rajkot
 - (3) Palanpur District Jail
