Any person, individuals or companies involved in the collection or recovery of Used Cooking Oil from the food industry.

1. Open the link (<https://eatrightindia.gov.in/ruco/>)
2. Goto Traceability Trial
3. Register yourself by creating an account as highlighted with a red arrow mark.

4. The system will be redirected to the next page to fill out the form.

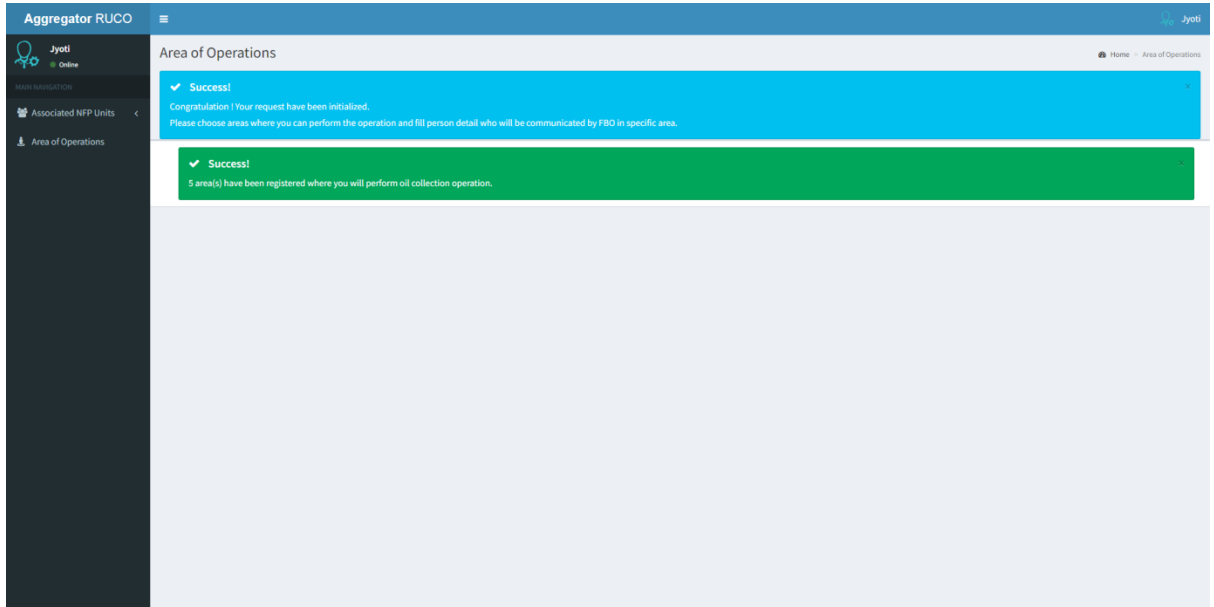

5. Select your Area of Operations by selecting the state from where you can collect disposable oil.

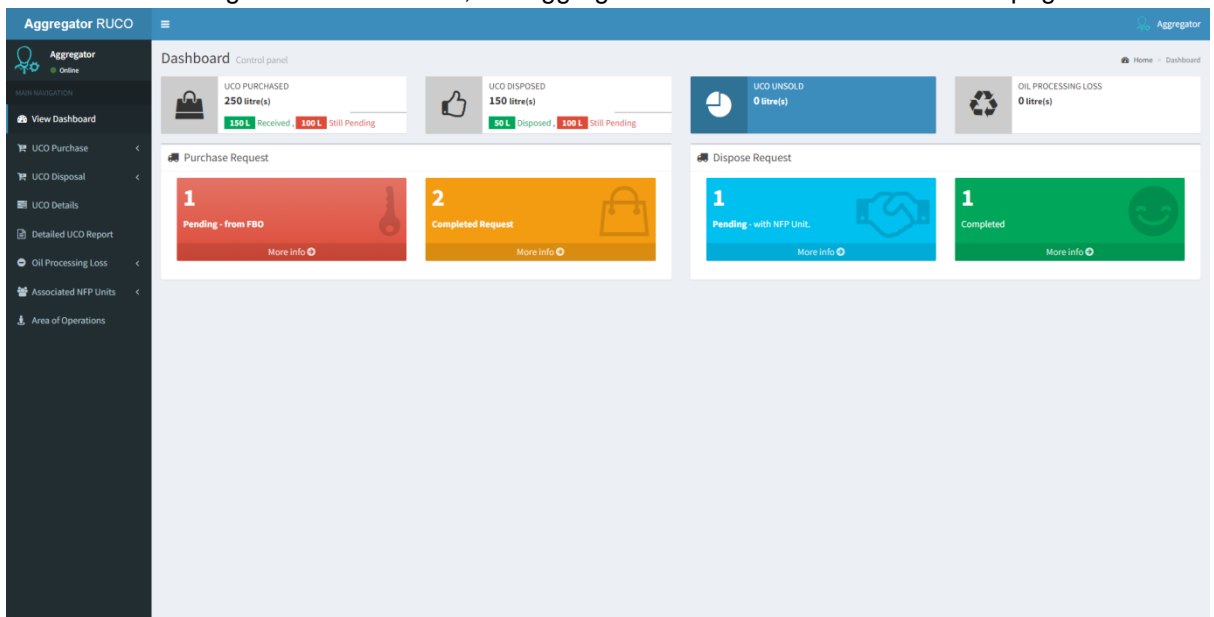

The screenshot shows the 'Area of Operations' page in the Aggregator RUCO system. The page has a dark sidebar on the left with the Jyoti logo and navigation options: 'Associated NFP Units' and 'Area of Operations'. The main content area has a blue header with 'Area of Operations' and a breadcrumb 'Home > Area of Operations'. A success message is displayed: 'Success! Congratulations! Your request have been initialized. Please choose areas where you can perform the operation and fill person detail who will be communicated by FBO in specific area.' Below this is a dropdown menu labeled 'Choose Your Operational State:' with the text 'Select State Name'. A warning icon and text below the dropdown state: 'First choose state, then select relevant areas of state where you can perform the operation of collecting disposable oil.' A green 'Submit' button is visible in the top right corner.

This screenshot shows the 'Area of Operations' page after the state has been selected as 'Maharashtra'. The success message and dropdown are still present. Below the warning text, a section titled 'Maharashtra' is expanded, showing a grid of 12 area selection options. Each option consists of a checkbox, the area name, and three input fields for 'Contact Person N', 'Mobile Number', and 'Designation'. The areas listed are: Ahmadnagar, Ahmadnagar - 1, Ahmadnagar - 2, Akola, Amravati, Aurangabad, Beed, Belapur, Bhandara, Bhiwandi Municipal Corporation (thane Zone-5), Buldana, Central Railway, Chandrapur, Dhule, and Gadchiroli. A close button (X) is located in the top right corner of the expanded area list.

6. Now you are registered with your chosen Area of Operations.

7. After successful registration to account, the Aggregator will redirect to the dashboard page.
